President Char Wenger called the meeting to order at 6:30 pm. Char passed around an attendance sheet asking for volunteer hours to be reported.

Secretary’s Report (Karen O’Brien). The March minutes were reviewed, and revisions were discussed.

MOTION: Yvonne Curran moved that the minutes be approved as revised. Jill Schultz seconded the motion, and the motion passed unanimously.

Motions/Action Items. Items were reviewed and updated (see ATTACHMENT A at the end of this document).

Treasurer’s/Finance Report (Miki Peine).

Financial Report. Expenses are occurring for 2011 show, but we have no approved budget as of this point. This is okay for now—there aren’t a lot of expenses coming through, but we should move on getting the budget established.

Some donations are being made. The good news is that we are not as far behind financially as was forecasted.

The faculty committee is meeting soon, and it is very possible that some classes may be canceled. It is important for us to put a positive slant on any cancellations.

As we send out more emails, we should consider the impact of electronic communication. Emails could be sent out from a do-not-reply address. See NQA email for example. Timely and current electronic communications helps members to feel involved with the organization.

Financial Retreat. Coming up on April 24. Will start at 9am, with coffee and donuts. We’ll start by talking about our mission. Any activities that we consider need to be matched up to our mission. We’ll discuss each of
our operating areas in turn: Education, Communication, and Operations. Lunch will be followed by a
discussion of the 2011 show changes. If participants have documentation from other shows, bring it with. Try to
be there early as we will have a full plate of things to be discussed.

Cost analysis concerning show teachers was passed out. Three examples were given. This information should
be kept confidential.

**Strategic Planning** (Wynn Martin).

Review of the Strategic Plan: What are our priority action items?

*Membership fee structures*. We can talk about these at our April 24 meeting.

*New home/new location*. Sue has been getting suggestions. Should we set up a task force? Get volunteers to
head up a committee? The May 8 8:30 strategy meeting will be used to discuss this issue. We need a copy of
the lease—Jean will send to the BOD.

**Action Item(s):** Jean will send copy of current Textile Center lease to Board members.

*Statewide outreach*. Wait to discuss this more until after our mission is defined/clarified.

*Guild Liaison*. Should this task be put under Communications? Offer a monthly “Note to the Guilds”? We could
solicit information to put on the website.

*Study groups/focus groups*. Establish small groups for specific interests. This task would need someone to
organize it. The Contemporary Quilters have special projects, with a study group to come up with the challenge.
Wynn would like to be involved with this task, but not lead it.

*Updating the website*. Karen Knoll is the new web person. What is the current process for making updates to
the website? The process is under development, but different people do different things. Becky can update all
pages except for the main page.

It would be good to have donation and volunteer forms on website. Char and Nancy Hall are working on this
task.

**Action Item(s):** Get donation and volunteer forms on the website. Char and Nancy Hall are working on this
task.

*Next steps*. The BOD should look through items in the Strategic Plan; think about them; get a sense of how to
work on items over the summer.

*Logo timeline*. We will be setting this aside for a while. We will need to decide when and if to pick this up again.
We should go to the general membership, talk to them about the ramifications of the logo and the change. Our
reasoning for wanting to adopt a general MQ logo is that individual show logos are expensive to create, and we
would like to have instant recognition of the MQ logo.

**Action Item(s):** Jill will write an article for the next newsletter (June 2010) about the logo issues.

It would be helpful to have an MQ Events Calendar in the newsletter/on the website. This calendar would
include all meetings (general membership, BOD, financial committee), newsletter deadlines, special events.

**Action Item(s):** Start up an MQ Events Calendar. Karen will start work on this.
Show Coordinator’s Report (Linda Lysdahl).

Linda received a request from a sponsor of the 2010 show. They want to know if MQ could send an email blast for them which would advertise the sale of batting and allow the vendor to plan how much of the product to bring to the show. If we do this for one vendor, then we would need to offer to all vendors. We used to ask members to opt-in for any advertising. An alternative to the email advertisement would be for the vendor to place an ad in the newsletter. Consensus was: to not do the email blast.

2011 Vendor Application. Linda has a proposed application, including booth costs. We will talk about it at the retreat. The application form has to be approved next month.

Show Reports.

MQ 2010 (Jill Schultz and Jan Wahlstrom). Banquet is getting registrations, Thursday night event is full. Some classes will be cancelled due to lack of takers. The April 10 walk-through had 25 people attending. Jill is contacting groups to help with vendor move-in, set up, take down, etc. Vendor move-in help is seen as a very nice feature by the vendors. The group members want to earn volunteer hours (getting tips is a bonus). Any teen groups would require adult supervision.

The chairs have received a special banquet request—a gastric-bypass surgery person wants to bring a 6-year-old guest to eat the food that they are unable to eat. Allowing this is up to the chairs.

MQ 2011 (Lou Roos).

Permission to use a Judy Martin quilt design for the Raffle Quilt has been received, and is included as ATTACHMENT B to these minutes.

Char received a legal opinion about the St. Paul RiverCentre contract. She had inquired whether or not the contract could be renegotiated. The contract is pretty tightly-worded (in the opinion of the attorney), and it doesn’t seem likely that it could be reworked.

For financial reasons, it isn’t possible to hold a banquet in St. Paul in 2011 – it would be far too expensive. One alternative would be to hold some kind of “tea” event offsite, and have it sponsored by board. Have the “fashion show” be the entertainment for the event.

Lou had thought that there would not be a Special Events chair for 2011. The consensus of the BOD is that each show needs to have a Special Events chair.

For the Thursday night event at the show, Lou is thinking of holding some kind of “sewing for charity” event, using the facility and the sewing machines that will be in place.

The BOD recommended the use of the facility that we’re paying for whenever possible, and that we not go offsite for any events. The BOD is willing to host a Friday night event, but not to plan it.

President’s Report (Char Wenger).

Visit to St. Cloud. Char, Jill, and Jean had a nice visit with the St. Cloud guild. That guild has some 200 members. They will be moving to a new location (they need more room). The guild was very welcoming to the MQ ambassadors. Unfortunately, their monthly meeting time (first Thursday) conflicts with our meeting schedule.

Annual Report. BOD should send any annual report information to Char. The Annual Report will be posted on the website, and a flyer-format Report will be handed out at the annual meeting.
The Annual Report is normally written by the outgoing president and put in the Membership Directory, which has been published in the fall of the year. Last fiscal year’s annual report didn’t get done, and we aren’t publishing a Directory.

**Action Item:** Establish an online Membership Directory, accessible by members only.

*Membership Director.* Char is proposing a change to the bylaws, to add a Membership Director to the BOD. At the present time, the membership doesn’t have to vote on bylaw changes.

Char’s document concerning the proposed bylaw change is included as ATTACHMENT C to these minutes.

**Action Item:** Review bylaws; do research to bring them in line with accepted practice for bylaw change. The timeframe for this item would be after the 2010 show.

**MOTION:** Revise Section 2 under Article V of the bylaws to allow voting at the BOD table at the annual conference as well as at the Annual Meeting. Some means would be set up to make sure that any particular member voted only once. Jean Carr moved that this change be accepted; Kathleen Winters seconded the motion; the motion passed, unanimously.

**MOTION:** Revise Section 2, “Number and Titles,” under Article IV. Add a Membership Director to the BOD. Jean Carr moved that this change be accepted; Sue Rutford seconded the motion; the motion passed, unanimously.

**MOTION:** Revise Sections 11 and 12 under Article V, to pull “membership” from the duties of the Operations Director, and to create a new paragraph of duties for the new Membership Director position. Karen thought that the duties of the new Membership Director should be made clearer than the present wording allows. Jean Carr moved that these changes be accepted; Sue Rutford seconded the motion; the motion passed, with Karen O’Brien dissenting.

**Action item:** Review and discuss the make-up of the MQ BOD. Should we add the Show Chairs to the BOD? Add regional members? A Development Director? Timeframe for this item is September/October 2010.

**Action item:** Develop a job description for the Membership Director.

The background check on Sandra Weston came back, and everything is fine.

**Communication Director’s Report** (Jean Carr).

The May 2010 newsletter went out as a link only—not paper-- to all but 95 members (those with no email). Cost $71 to produce a print newsletter for them and send it out via mail. There has been both positive and negative feedback from this change.

There was no BOM in the May newsletter; there was missed communication about where the BOM would be coming from (Joanne or the new BOM person). It was suggested that Jean could put an old pattern on the website.

**Education Director’s Report** (Sue Rutford).

Since the July meetings occur during the July 4th weekend, there might be a change in the July meeting structure. Sue’s feeling is to meet only on the Thursday night in July.
Sue was a speaker at the Silver Lake Quilters (North St. Paul). She gave away certificates for fabric fat quarters and promoted the May MQ meetings. There will be a class on the Friday between the May meetings; registration is available from the MQ website.

**Past President’s Report** (Mary Brandt). No report.

**President Elect’s Report** (Yvonne Curran).

Yvonne received a grant request but it doesn’t meet our guidelines. The request was to provide funds to Pakistani women, to help them do crafts which they would sell (in Pakistan).

**Operation Directors’ Report** (Jill Schultz and Kathleen Winters).

Employee appreciation gifts and cards were presented to Becky and Linda.

**New Business.** No new business.

President Char Wenger adjourned the meeting at 9:05 pm. The next meeting of the MQ Board is May 18, 2010. The Financial Retreat will be held in the interim, on April 24, 2010, beginning at 9am.

Respectfully submitted,
Karen O’Brien

Dear Char and the Minnesota Quilters Board:

Today I received verbal and written permission from Judy Martin to use her design, "Shakespeare in the Park" for our 2011 raffle quilt. We can get started cutting the fabric on Saturday!! I'll keep the Board informed of our progress. I include Judy Martin's e-mail to me (see below) for our information. Perhaps you could include this in your next minutes, or somewhere where it can be retrieved, if necessary. Thanks much.

I know that each Board member is in charge of certain sub-committees. Whose responsibility are we? Operations? Education? I could plan to make periodic reports to that person.
