Happy 10th Anniversary Minnesota Quilters

Evening and Day Meetings to Celebrate

Helen Kelley will be our speaker for both celebrations. Her program will be: As the CutterTurns, a lecture with slides and a quiz following...so pay attention!

Helen is a charter member of MQ and served as the president for our first two years. Helen is a quilt maker, designer, teacher, lecturer, and author. She has given so tirelessly to MQ that it is truly our pleasure to have her as speaker for both meetings.

EVENING MEETING will begin at 6:30 p.m. (note change of time)
DAY MEETING will begin at 10:00 a.m.

Both meetings will be at the Machinist's Hall in St. Paul (see map). There will be a catered meal served at both meetings. See reservation information elsewhere in the newsletter. Deadline for reservations is April 1st. You need not have a reservation to come to the meeting—just for the meal. Everyone is welcome. Please join in with the celebrating!

What an Opportunity...

The American Sewing Guild has contacted Minnesota Quilters to see if we would join them in sponsoring a Joint Venture on Patchwork and Quilted Clothing. It would be a day-long event incorporating hands-on classes taught by local or regional experts in wearable art, a garment display and judged contest, and lunch with a speaker or slide show or style show. A trunk show could even be a possibility.

Does this sound like something you'd like to work on? If it is to happen we need you! If you'd like more information call Elaine Bushey at 872-0866, Long Range Planning.

U of M Childrens Hospital Quilt

The Childrens Hospital Quilt is in the works. Bonnie Ellis has graciously offered to design the quilt. She does such wonderful work. It will be great to work on one of her designs. THANKS, BONNIE! I have gotten several calls and letters from others wishing to be a part of this project. Thanks for responding so quickly. The designing process and fabric selection will take some time. It may be another month before the blocks are ready for piecing. Everyone who has volunteered will be contacted. There is still time to get involved. HAPPY ANNIVERSARY, MINNESOTA QUILTERS. It doesn’t seem possible that we are 10 years old. I have made so many new and good friends through quilting. I have learned so many new things, through the shows and classes, lecture series, and meeting show & tell programs, and my many volunteer hours. Thanks, MQ.

When we started MQ, our aim was to educate and further quilting, and to find other quilters in Minnesota. Well, we have gone a long way in reaching our goal. We started with approximately 25 members and have grown to over 975. We have more and more interesting classes, programs, etc. all the time. We all can be very proud and happy. I would hate to try and calculate all the millions of volunteer hours that have gone into our growth, but it’s been fun and rewarding. If you haven’t had the joy of getting involved, do it today. I can promise you, you will get more out of it than you will put in. Quilters are wonderful, enthusiastic, sharing people. When you’re just reading through this newsletter, stop and think about how all these programs and the news are coming to you.

We are in the process of putting together the slate of officers for the next year. If you can nominate someone or offer a few hours of your talent, please contact the committee chairman, Marge Herrington, at 633-8095.

Two of our programs we are very proud of are the book library and the video library. The newest books are available to the membership and the video library has become very popular also. We have purchased Mastering Patchwork by Jinny Beyer and a second copy of Palettes of Color, by Jinny Beyer, as there was a waiting list for the one copy we had. If any of you are interested in either of the libraries acquiring something we don’t have please let either Jean Loken or me know. I watched Mastering Patchwork and picked up a couple of tips that I tried on a feathered star block I made and I liked them—one was a method for eliminating the pesky hole in the center of the 8 pointed star—it works. See more information on use of the video library elsewhere in this newsletter or in the January 1988 one.

I hope you all have registered for classes and volunteering at the show this spring. I have...don’t miss it.

Happy Quilting!
Ann

EXPRESSIONS OF JOY!
June 3-5, 1988

Just wait until you see the Raffle Quilt! Joan Carlson and the Richfield C.R.A.B.S. will have it ready for the April meetings. It's a beauty! Members will receive raffle tickets in the mail about May 1.

Linda Hillan and Peggy Beckman are working hard on the exhibit. Their enthusiasm is catching. Gail Kieper is locating antique quilts. We are even trying to have some international quilts on display. If you have any good leads, let us know.

Don't forget to bring your donation for the Small Quilt Auction to a meeting or send it to Faye Hall or Joan Hokanson. If you only wish to make a top or only wish to quilt, they can find you a "partner" to do the other half.

Janet Dubeen is looking for door prize donations. Those of us who have received lovely handmade gifts at earlier shows really treasure them. Makes you feel special, like having a birthday without being a year older.

Registrations are flowing in, keeping Judy Briesath and Kathy Abel VERY busy. At last some income, rather than all "outgo" for Irene Coleman and Donna Har, who keep ever-so-careful track of our money. Registration forms are still available from Jeanne Tanamachi if you know of someone who needs one.

We have been promised seating for 400 and "real tablecloths" for the Banquet and Style Show. Doesn't that sound like a party? Hope you'll be there. Dinner at 6:30 p.m. and Style Show at 8:00.

Remember to send your QUILT REGISTRATION FORMS TO: Linda Hillan, 2959 Idaho Ave. N., Crystal, MN 55427. The DEADLINE for registering your quilts is APRIL 25, 1988.

Fat Quarters Needed

The banquet committee for Expressions of Joy is looking for donations of fat ¼'s or fabric that can be cut by us into fat ¼'s. There will be a box at both meetings by the membership table or contact the committee (Minnesota River Valley Quilters). Thanks for any help you can give. Your 'dogs' will work beautifully.

Door Prize Request

The annual quilt show will again give door prizes at the banquet and lectures. This adds to the fun. Any variety of items are welcome: fabric, patterns, quilting supplies, books, or finished items. Your gift is tax deductible and you will receive a receipt for your tax purposes. Items may be brought to the April and May business meetings, mailed to Janet Dubeen at 2420 Cavell Ave. N., Golden Valley, MN 55427, or if necessary and as a last resort brought to the show.

In order to meet the publishing deadline for the show booklet your intent to donate a prize must be made known by early April if your name is to be listed. Call (612) 546-2116 or write Janet if you can't make the April or May meeting.

Small Quilt Auction

If you are going to Paducah, Iowa or any trip in April, take your small quilt along to work on. Remember, it doesn't need to be full measurement. Small will do. We are anxious to hear how you are coming along.

Snowflake Days Quilt Show

The Fourth Annual Snowflake Days Quilt Show was a big success and enjoyed by all! Thank you to those Minnesota Quilters who exhibited their quilts, those who helped to put the show on, and to those who visited and voted for their favorite quilt.

The winners were:
Grand Prize ($100 EE savings bond, purple ribbon)
Judith Peterson, Minneapolis.

8. "Lavender Black Irish Wreath." The center of this quilt was the result of a Nancy Pearson workshop taken at the 1987 Minnesota Quilters quilt show. Hand appliqued and hand quilted. 32"x32".

First Place (blue ribbon)
Jeanne Spear, Vadnais Heights.

19. "Snow Crystals." A closeup of a snowflake, done in English piecing with frosty looking fabrics, oxford cloth and chambray. Transparent sequins and seed beads were quilted into the background to add sparkle. 37"x37".

Second Place (red ribbon)
Shirley Krantz, Princeton.

7. "Seven Stars for Seven Sisters." From the pattern named Seven Sisters, this piece has seven clusters of seven stars. Made in memory of my mother who was one of seven sisters. 24"x25".

Third Place (white ribbon)
Carolyn Sidebottom, Plymouth.

1. "(Not So) Simply A Sampler." My mini-sampler grew out of a combination of two of the classes I teach—quilting basics and working in miniature. The project was an enjoyable diversion last year while recovering from surgery. I particularly enjoyed the challenge of planning hand quilting designs scaled to the size of the piece. 21"x26".

This has become an annual event for the Snowflake Days celebration. Please make plans to enter our fifth annual Snowflake Days Quilt Show in February, 1989.

Thanks to First Bank Coon Rapids for their support and to Dorothy Andrews, co-chairwoman.

New Prague Quilt Discovery Day

On February 20, 1988 in New Prague, 99 quilt-related items were brought in for documentation. Most were quilts, comforters, and blocks. Two exceptions were a crazy quilted robe and a Grandmother's Flower Garden pillow. All but 16 of these quilted items were made in Minnesota.

The 99 items were brought in by 42 different owners. These were made by 65 different quilt makers including one who had seven quilts represented. Quiltmaker's were known for all but five of the quilts and most were still in the quilter's family. Nine of the New Prague Historical Society volunteers brought in a total of 22 family quilts.

The most common quilt pattern was Dresden plate. Other patterns included: double wedding ring, crazy quilt, Grandmother's Flower Garden, Sunbonnet Sue, Irish chain, lone star, trip around the world, log cabin, mariner's compass, and Yo-Yos. Also, three sets of identical twin bed quilts were brought to be documented.

Quilt ages ranged from 1870 to 1982. Most of the quilts were made between 1920 and 1950 (a total of 55 quilts in this group). Six quilts were made before 1900.

New Prairie Quilt Discovery Day Notes

Things are getting back to normal in the historical society circle here in New Prague. We are still basking in the warmth of 99 quilt entries as we rest our feet! We hope that Minnesota Quilters are pleased with the first "Quilt Discovery Day."

Hand Quilters

Since answering the phone calls to MQ, I have gotten a lot of requests for hand quilting to be done. I have a limited list of individuals and groups that do this kind of work. The list was set up in 1985 and many of them have 2 year waiting lists. If there is anyone out there that does hand quilting (for pay) and would like me to refer callers to you, contact Faye Bodenhamer, 7868 Lois Lane, Lino Lakes, MN 55014, 784-4501.

Thank You!

A sincere thank you to all the people who helped with the service project for St. Therese Nursing Home in New Hope. It is a quilt wall hanging seventy inches square. It will be presented to them on March 9th. I know the residents will appreciate looking at this quilt. The quilters who helped in some way are: Barbara Theisen, Bonnie Ellis, Marjorie Hanson, Lillian Kreminski, Nancy Strand, Boni Matton, Linda Hillen, Lee Fernelius, Kathryn Freeman, Joy Eklund and Irene Coleman.

Quilt Discovery Day in Western Minnesota

What is a Quilter?

Reprinted by permission from Colorado Quilting Council.

A quilter is simply a person who makes quilts. They can be male or female, ninety percent of the time they are female.

A quilter does not change their mind about the name of a quilt, the way a quilt should be quilted or what kind of quilt each person should have on any occasion.

Driving down the highway at 55 mph they can see a quilt on a clothesline and can tell you the pattern, color, and whether wind is too high or sun too hot for said quilt to be on line.

A quilter enters a store with head held high, looking for stacks of material. At the time for departure, her husband will find her there and rescue her from the salesperson who is tired of cutting 1/4 yards of material.

A quilter is loved by entire family when a quilt is complete and on the bed.

A quilter is a very nice person till they sew their finger to the quilt, have to rip out a block, or loses her thimble.

They are happiest when talking quilts, going to a quilt show, or thumbing through the latest quilt book. They always look at the new baby after looking at the new crib quilt.

A quilter can quilt all day, but hates to sew on a button or ripped seam in a garment. She hates to iron and if possible, it would be sent out, but she can iron tiny pieces all evening in order to be ready for starting a new top the next day.

A quilter never keeps her checkbook balanced, but can tell a salesperson how many yards of material to cut for a 72x90 top. She has about enough material left for a dress pocket.

A quilter is a thrifty person. They save green stamps, go to garage sales, check grocery prices, but will buy material like it's going out of style.

Sometimes their eyesight seems to fail. They can't see cobwebs, dust balls, or dirty dishes, but can thread a size 10 quilting needle at the blink of an eye.

I.M. Collins, Paden, Oklahoma
Bulletin Board Ravelings

I found this helpful hint in the Main Line Quilters Newsletter. It came from the Fashion Encyclopedia, courtesy of G Street Fabrics. It seems like a good piece of information to put into our files. "To set colors for fabrics that bleed, pour vinegar into cool water until it smells dreadful. About one cup per gallon of water. Soak fabric for 20 minutes. Wash with detergent and check for bleeding."
