Daytime Meeting
Friday, April 5th
10:00 a.m. — Machinists Hall

Are you getting ready for show time? On Friday we'll get to
look at quilting from another perspective — the judges! And
we'll learn how that perspective changes when the show being
judged is in Britain. Pat Cox will help us appreciate the
differences between the United Kingdom and the U.S. when
it comes to making quilts, setting up shows and judging, bas
ed on her experiences judging the United Kingdom Quilting
Center in Malverne, England, and shows closer to home.
Knowing Pat's quilting, her teaching style, and having heard
of her quilt collections, I'd trust her as a judge on any conti
nent and look forward to a fun and informative morning with
her. See you there!
Dianne

Letter From The President

Dear Minnesota Quilter Friends:

HAPPY BIRTHDAY! April is traditionally our Birthday Month.

On April 14, 1978 a group of 18 women gathered at Norma Ahlquist's home to hold the first official meeting of Minnesota Quilters. At this organizational meeting very positive feelings were present. There was general agreement that a group was needed, that the time was right and there was confidence that a quilt group would be successful.

It is fun to remember how it was 13 years ago and to marvel at how far we have come. It is also important to remember how far ALL quilters have come in these years. We've come a long way because the basics haven't changed. Tomorrow is always a challenge but, whatever it brings, the basics still won't change.

Our members now number well over 1300, but our purpose remains to sponsor and promote the art and practice of quilting and to unite quilters for the purpose of sharing and disseminating ideas techniques and methods both within and outside the State of Minnesota.

Many Happy Quilting Days to come.
Till next time.

Marge Herrington

Dear Minnesota Quilters Newsletter:

It’s here, it’s wonderful and it can be yours. The raffle quilt for the 1991 Minnesota Quilt Conference “Making Waves In Duluth” has just arrived. It’s been photographed for postcards so you will be receiving your packet of tickets soon.

Three small quilts have also been finished, but more will be needed to raise money for extended quilting shows on public TV.

If you are not staying on campus please make reservations early. June is a very busy month in Duluth motels, hotels and campgrounds fill up fast.

Teachers will be ready to teach and inspire all who sign up for classes or lectures.

Thinking about volunteering help sell raffle tickets, sweat-shirts, pins, bags, aid with quilts, teachers or vendors.

Remember to send Joyce or David your quilt registration so they can get started on the booklets for the show.

The fashion show is being planned and Patti has some great up-beat ideas to share. All you have to do is drop her a line about your creation.

So let’s get started, we need your help to make this a wonderful conference.

Sunshine and Warm breezes,

Susan Slattery, Publicity

Fall Lecture Series Scheduled

October 3-5, 1991 are the dates to set aside for the Fall Lecture Series with Joan Wolfrem from Fox Island, Washington. Joan is known for her strip-pieced landscapes which feature color illusions. She will be presenting workshops on techniques to achieve illusions — including luminosity, transparency, reflections, luster, and iridescence — through creative use of fabrics. She will also present a workshop on strip piecing of landscapes using the above-mentioned techniques. Ms. Wolfrem has recently published a book, Landscapes and Illusions, which is available in the local quilt shops. Mark your calendar now and plan to attend these terrific workshops. Registration information and further workshop notes will be presented in summer newsletters.

Duluth Fashion Show
Entries Arriving

Several of our non-procrastinating members have mailed in their entries (complete with photographs) for the 1991 Making Waves in Duluth Fashion Show. The garments pictured appear to be completed, hemmed, and ready to go. Congratulations to those early birds!

Requests for entry blanks have been numerous. It looks as though we will definitely be able to mount a full fashion show if those entry blanks are returned on time. Nothing would make us happier than to be faced with the dilemma of how to present too many entries, so keep those sewing machines humming.

We've received several inquiries about entries from folks who will be unable to be in Duluth for the show. We will be happy to supply models for those garments and will take every care to see that they are returned promptly to their owners. We also will provide children from Duluth members' families to model children's garments if they are entered — you can enter your small creations without having to bring your kids along to the show!

Please call Helen Ziegler at 473-6076 or Pattie Black at 633-3312 if you have questions — we'll be happy to provide a gentle kick-in-the-pants if you need to get going. Let us know what you need and we'll be glad to help. You know what we need — MORE ENTRIES — MORE ENTRIES — MORE ENTRIES — MORE ENTRIES —

Minnesota Quilter's Table At The American Sewing Conference

What a neat exhibit of sewing related items at the American Sewing Symposium at the Northland Inn, April 17, 1991. One saw everything from sewing machines and sergers to beautiful garments and quilts.

My sincere thanks to each of you who helped at the Minnesota Quilters table this year. Highlighting our area was a Valentine wall hanging made by Patty Black. The construction is log cabin with lovely tulips appliqued in the center, tied with real ribbon hanging to one side. A lot of interest was generated by the miniature quilts, wall hangings and quilting garments at our table.

Thank you, American Sewing Guild, for the opportunity and exposure given to quilting

Minnesota Quilt Project Bulletin

Quilt Discovery Days Are Over — Over 3000 quilts documented from all quarters of Minnesota — Some private collections and some ethnic quilts still to be documented — help needed for that.

Needed: Connections with quiltmakers in Minnesota Afro-American, Native American, or Hispanic cultures. Call Marcia Anderson, Minnesota Historical Society, (612) 296-9150.

Needed: Stories, diaries, letters, pictures, or names of people who would be good oral interview subjects for a publication — even if they have been interviewed at a Quilt Discovery Day. Get this information to Norm Steere, Jean Hatch, Jean Loken, or Allene Helgeson.

Urgent Need: People to work on processing pictures, data collected at Quilt Discovery Days. At present this must be done at 8 Pinetree, Arden Hills, where it is stored. The room is only available on weekends with Judy Briesath or Mary Walker present. Work days are scheduled for the second Saturday of each month through November — April 13, May 11, July 13, Aug. 10, Sept. 14, Oct. 12, Nov. 9. Advance registration with Judy Briesath necessary.

Recommended: Put together a team of four (minimum number for which we can ask Judy to give up her Saturday), but individuals are needed too.

Jobs to be done:
Marking each slide with ID number
Enter data on personal computer (with Lotus or spreadsheet experience it will be easy with Judy’s guidance)
Identifying patterns with help of encyclopedia
Listing quilts, quiltmakers for consideration for exhibit or publication
If you worked on a QDD you are urged to put together a team to work with the slides and data from your Quilt Discovery Day. Schedule early with Judy.

If you’d like to work on an exhibit/publication, now is the time to get involved with the data to get a feel for a common thread for what is unique about Minnesota’s Quilt History.

Contacts: Judy Briesath, 428 East County Road F, Vadnais Heights, MN 55127 (612) 429-9060 • h, 481-4757 • w; Norm Steere (new address), 17060 116th St. North, Stillwater, MN 55082, (612) 430-9591; Jean Hatch, R. 1 Box 176, Trinton, MN 56176, (507) 639-3253; Jean Loken, 11909 Baypoint Drive, Burnsville, MN 55337, (612) 890-7299; Allene Helgeson, 10256 67th Lane North, Stillwater, MN 55082.
WANTED: Infor QLT sh/msm any whr USS. Wrt imdly!

Spouse: Don’t you already have some fabric at home?
Kids: Mom, you said you’d hurry this time and we’ve already been here 10 minutes!

Sound familiar? Pay no attention to these comments and take note of the following information.

Have you lived elsewhere in the United States and know every quilt related place in a 300 mile radius? Have you traveled and found interesting quilt or craft shops and museums? Then you have valuable information that should be shared with other quilters.

True, you could go buy a book with listings of quilt shops. The book probably tells the name of a shop, the address, and whatever that shop paid the printer to write about it. I would like to know other things like:

1) Did you find any bargains (a biggel)! or did their bargain basement look like Donald Trump’s penthouse?
2) Did you travel 900 miles to find out the place is only open Wednesdays during the month of August?
3) There were 500 house tours to choose from in Galena, IL. Be sure to go to the ______ House because it had quilts in every room.
4) Don’t miss the unadvertised quilt show held every year during Alfalfa Sprout Days in ______ USA.
5) Definitely stay away from this shop. It’s in the high crime district. While you were standing on the corner waiting for your family to pick you up, a policeman asks you to show I.D. or be arrested for soliciting.
6) You don’t know the exact address, but head for the water tower (or nearest landmark) and turn left twice for the most wonderful antique quilt museum you have ever seen.

Minnesota Quilters has over 1300 members. That’s a lot of valuable information everyone has floating around in their heads. Let’s get this written down on paper and distributed before you go on another trip (even if it’s only 200 miles away) and wish you knew someplace “good” to go to.

The work will be done by volunteer(s). Please call if you want to help! After the booklet is compiled and printed, it will be sold at a nominal charge to cover the printing costs.

Please write down your information (facts, advice, & opinions) and send it to:

Audrey Mead
2655 Kempston Drive JUNE 5 - Absolute deadline
Woodbury, MN 55125

I will be at the Friday meetings of MN Quilters in April and May if you want to hand the information to me. You may call to ask questions about the project, but I would prefer that the booklet information is in written form, not dictated over the phone. Please do not call weekdays between 3pm and 7pm. Thank you. (612) 731-3053.

Getting to Know You!

“The best part of quilting is the people!” says Jackie Northrup. “The wonderful friends I’ve gained and the support system within the quilting community has enriched my life more than I can say.” As much as she enjoys the creative and productive part of quilting, she enjoys the social side of it as well. Jackie has served on the 1989 Show committee, and is on the MQ Board. She belongs to the Chatter Blocks, Diverse Directions, and serves on the MQ Lecture Series committee. She works part-time, and teaches classes at the Quilting Duck in Champlain.

Conmuting to her activities from her home in the country can get a little tough in the winter, but Jackie loves living in the country. A year and a half ago, Jackie and her husband moved into a new house on 20 acres of woods in Isanti County. They have 2 children, a daughter, 23, and a son, 20.

Jackie started quilting in 1981. “A neighbor & I were both interested in learning how to quilt when she found an ad for a class in Anoka. It turned out to be Judy Peterson. After the first session I knew I was hooked. Not only did I learn a wonderful art, I gained a life long friend.”

Her grandmother taught her to embroider when she was 9 years old. She learned to knit when she was 11. “I always enjoyed hand work, but I never considered myself a creative person. Quilting has taught me that we are all creative - in our own way.” Quilting is her first love, but she enjoys counted cross stitch and knitting when her tendonitis will let her do it.

“My favorite quilt is usually the one I’m working on, but I do have one quilt that is very special to me. It is a Bargello design that was made in 1987 for the “Upper Midwest Quilt Contest” in St. Paul. It won 2nd place, and $750.00 in cash, and “Viewers’ Choice” at the 1988 Minnesota Quilters Show at Bethel College. That quilt took 400 hours to make over a period of 2 months. I really love to quilt, but that’s ridiculous.”

Jackie’s warm and friendly smile, and helpful manner are typical examples of why “the best part of quilting is the people!”

Official State Park Centennial Quilt. There will be a quilting bee for the State Park Centennial Quilt, on April 11, 1991 from 2 - 9 pm at the home of Bonnie Ellis, 1630 37th Ave. NE, Mpls. (612) 781-7111. Please call her first, before coming. All MQ members are welcome.

The quilt will be presented at Itasca Park on April 20th, 1991.

Wearable Art Class 1990
Jean Cacicedo — center-front (Instructor)

We Made Three Deserving People Very Happy

Recently we received a very nice letter from Karen Knierim of Pequot Lakes. Karen was one of the 1990 scholarship recipients. She wrote of her experiences during the Wearable Art Class taught by Jean Cacicedo last summer in Duluth. Karen wrote about the many exercises Jean had the class do such as "no-peak" drawings, black & white abstract work, work with color and visual texture as well as some construction techniques. They also started journals of their creative/artistic lives. Karen also enjoyed the rewards of Show & Tell with the 17 others in the class. Karen said this class helped her add artistic touches to her work. She came away with "ideas — lots of ideas."

Earlier in the year we also received a nice Thank-you note from Jean Shannon of Minneapolis. Jean took Kumiko Sudo's class, "Small Treasures: Creating Japanese Wall Quilts." Hazel Lutz also of Minneapolis as well as a Minnesota Quilters also attended this class.

Scholarships for Quilters

Minnesota Quilters is proud to announce that we will be continuing our scholarships through the Split Rock Arts Program. Three classes will be offered this summer in Duluth which qualify for the M.Q. A mother/daughter team, Joyce Scott and Elizabeth Scott will teach American stitches: Traditional Southern Quilting and Panamanian Molaworking. Mary Anne Jordan will teach Rainbows on Fabric: Polychromatic Silk screening.

Information for the 1991 Split Rock Arts Program was mailed to Minnesota Quilters in March. Application information for these scholarships can be found in the Split Rock Arts catalogue.
