Evening Meeting - "For Sale"
Thursday, July 2, 1992
7:00 p.m. - Machinists' Hall

Clean out your fabric closets and straighten those spools of thread because the July 2, evening quilter's are having a RUMMAGE SALE. If you are interested in selling any quilt or sewing related items it's really quite easy to reserve your spot. Call me at (612) 690-2619 and let me know your name and if you would like a whole (30" x 60") table or just a half. Then organize your patterns, fabric, scraps, whatever fabulous wares you have (PLEASE NO commercial products) price them and pack them for our BIG sale. It is as simple as that! While your at it think about bringing any fourth of July theme quilts or piece for show and tell, AND we will also be featuring things for the home this month so it should be a fun meeting. I look forward to hearing from you and seeing you all at the meeting. Happy Shopping!

Sue Vento, Evening Director

Thought Patterns
Hello Everyone! We are off and running with a new fiscal year. Board members are in place ready to perform their chosen jobs, and I have started mine 2 months ago.

Minnesota Quilter's is an incredible organization when you consider the fact that it is run by volunteers. Without people like Mary, Ruth and their gang we would not have had a quilt show, and what a magnificent show it was. With our corresponding secretary you would not be able to get written answers to your letters, and the board would not know what is happening throughout the quilting world. Without Joy as editor we would not have a newsletter to keep you informed. Without education and evening directors there would be no programs for you to be entertained and educated by each month. This list goes on and on right down to the people who help set up chairs and clean up the coffee. When you express your views, treat these people with respect and courtesy they deserve.

In talking to each board member, I have discovered that each person has taken on a job best suited to their talents. I am excited to look ahead at the '92-'93 year ending with the show in Chaska. You have great people working on your behalf, let them hear from you, the compliments as well as the constructive criticism.

I remember when I was evening director and would receive a note from someone complimenting me on how a program went or just about my enthusiasm. I was instantly uplifted and informed that someone is paying attention, and people do care. As a volunteer your main reward is personal satisfaction with a job well done. However, when the public took notice and recognized your work it adds the frosting on the cake.

To last years board, thank you very much for your hard work and dedication. Your allowing me to watch the process of a well run board, educated me for the year ahead. To everyone that came back to help with coffee, set up chairs, serve at the brunch and work at the library, thank you, without you we have chaos.

To every volunteer not mentioned, thank you, we recognize your presence by how smoothly M.Q. runs.

If you are in the mood to volunteer no matter how small, call the appropriate committee persons and ask where you can help. If you can not help today, how about volunteering for the Chaska show next June? There are about 15 committee persons that could use your support. This is how Rochester was able to present you with such an incredible show. For members outside the Twin Cities area, how can you help? How about an article for the newsletter letting us know what is happening in your area. Write about a successful project, a handy quilting tip, your input makes for a more interesting newsletter.

The board will be waiting with excitement to hear from you.

Be Creative,

Helen Ziegler
President

Pattie's Ponderings

Retirement—the telephone is quiet, our wonderful Rochester quilt show is history... and the Minnesota Quilters are in the hands of a new Board of Directors.

Since we had no June newsletter, there was no opportunity to express my final thoughts as my year as President came to a close. All of you deserve to know how much enjoyment has come my way while serving on the board this year. Having met so many new friends has been delightful, and there has been a great deal of pleasure in the wide scope of events on our calendar.

Thanks are due to so many of you: Thank you to the Board of Directors for their ongoing support and hard work. All of you have done a terrific job, and the Minnesota Quilters have benefitted greatly by your efforts.

Thank you to all of you who head our various committees and projects. The Quilt History Project has proceeded smoothly and without fuss. Our Community Quilters continue to produce dozens of quilts and related items for the battered women and children in our community. ABC quilts continue to bulge out of their allotted storage and have been distributed worldwide. Our lecture Series events and classes are efficiently and well-orchestrated. The State Parks Centennial Quilt was a triumph. Our library is extensive and well-organized. None of these things could happen without our volunteers on these committees and we all owe them a vote of thanks.

Our quilt show committee can never receive enough praise and accolades. Each year these people put out tremendous efforts and untold hours of work to produce outstanding conferences for us. Thank you seems such a simple way to say all that needs to be said—but, thank you to all of you who helped on this year’s—past and future shows.

Our participation in national trade shows has been faultlessly planned and professionally presented. Those who worked so diligently to present this very public facade are to be commended.

Inevitably, I will have forgotten to thank someone, but only because there are so many of you who give "above and beyond the call of duty" to an organization we all love.

I am proud and pleased to have been chosen to serve this past year as your President, and I thank each and every one of you who have contributed toward this very memorable year.

Thank you and Happy Quilting,
Patricia L. Black
Past President

Fall Getaway
Quilters Treat for September 17-20, 1992
The Rochester Quilt show was wonderful fun, looking at, sharing and learning techniques, but life goes on with future months in mind. So get your calendar, check the dates and register for the Annual Fall Getaway at the St. Francis Center in Little Falls, MN. Enjoy a leisurely fun filled weekend away from the stresses of home but especially QUILTING, classes, food, QUILTING, jabber all night if you like, but especially QUILTING of all kinds. You may even patchwork those jeans if the owner will allow covering those unsightly shreds. Getaway weekend will start Thursday, September 17 for early birds, and continue Friday thru Sunday 18, 19, 20. Early Registration will guarantee you one of the 50 spots.

Friday afternoon 3 hour classes
3D Applique
Judy Peterson, Hutchinson
Experience the joys of learning the intricacies of beautiful hand applique in special 3D technique. Judy will offer both beginning and intermediate patterns for a 3D Baltimore Brides block. After taking this class with some quality time spent appliqueing while socializing maybe you can have it finished for Sunday Show & Tell.

It's a Mystery
Laura Sahlberg, St. Paul
Yes! A mystery class. Only she knows what you are making and she will not tell anyone - not even a hint. Supply list won't give it a clue either. You will cut, sew, recut, resew and when you have sewn that last seam and only then will the mystery be solved. Be creative, colorful and entertained sewing your very own Mystery!

Saturday all day classes
Five Pansy Wallhanging
Doris Kilanski, Boyceville, Wisc.
Pansy block measures 10" square, diagonal 14" finished 42-44" with borders. At end of this six hour class, students will have completed five pansy blocks and should be well into finishing sashing and edge triangles. This cheery wall hanging is beautiful with four coordinating shades for pansy faces and lively print for background or any other variation you may choose.

Watermelon Gradation
Arlene Fitzpatrick, Brainerd
The piecing is simple squares but nothing square about the results! You'll be fascinated by the flow of colors which seem to shine from within. Arlene will send swatch cards to each student so you will be able to choose three colors of gradation fabric needed to complete Watermelon. Fabric cost is $36 plus tax.

Thursday evening meal is on your own in Little Falls or brown bag it. Friday morning - free time to quilt, walk, swim or what everyone like. Friday evening - we'll really get acquainted, laugh a lot while being well entertained by none other than our past president Pattie Black, so be prepared to enjoy her mixer program. More information to follow after you register. Friday afternoon and Saturday AM & PM - four classes to enjoy. HELP!
This spring Minnesotan Quilters sponsored a program on Channel 2 on quilting featuring Penny McMorris. I believe the title of the series was "The Romance of the American Quilt". It was shown BEFORE the Georgia Bonesteel series on quilting. I was trying to record this first (McMorris) series on my VCR, and was actually doing rather well considering I am almost VCR illiterate, when our VCR malfunctioned and damaged my tape. I had only managed to see the first few episodes.

I was wondering if any other member managed to record the whole series and would loan me his/her tape so I could watch it. I would be willing to swap some marbleprinted fabric samples for the use of the tape for a weekend! Thanks!
