Evening Meeting
Thursday, November 5, 1992  7:00 PM
Machinists' Hall, 1399 Eustis St., St. Paul
"The Road to Becoming a Stripper and Other Confessions by a Quiltaholic."
Eunice Hill of Byron, MN will pleasure us with her quilt growth as to how quilts lead her to developing her own personal style of color and design. "It all began so innocently..."

Reminder:
If you won a door prize at the evening meeting in October, please bring a door prize to share with someone else at the November meeting. For all of those who did not win, remember to sign the guest book when you arrive (located near the coffee) to be eligible for a prize.

Don't forget to bring your miniature quilt challenge to the November meeting.

Evening Director

Daytime Meeting

"October Misty Morning" will be proudly displayed by her at both meetings along with several other creations plus slides.

Show off your placemat entries in Beautiful, Functional and Seasonal categories. Add a few dishes, maybe a little vase of flowers or apropos decorative piece for the table display of mats. Bring your fall or special holiday quilted pieces for Show and Tell. Hats are back in season too.

Be thinking about your 12 1/2" Holiday block and ornaments for our exchange. Our Holiday Party will be a catered luncheon. Please join us for a festive (dress up if you like) meeting. Details for reservations in December newsletter.

With 94 votes we have an overwhelming agreement to keep Amateur/Professional separation. A good suggestion was to have a "First Quilt" category. Hopefully this will encourage many a beginner quilter to display their work.

In "Ribbon Category" 23 of you had the foresight to combine judged with viewers choice. Along with your combined votes you gave marvelous suggestions on how to work this out. Otherwise it seemed to be a tie of Judged with Critique Sheets and Viewers Choice with Best of Show. What this tells all future show committees is that they may choose a format to present M.Q. members with confidence. There is no visible right or wrong way to choose ribbons.

The 74 no votes won in "Monetary Prize". I was very pleased to see this after reading all the comments you shared. The summary here is that when you tack a monetary prize to a show, it then becomes a competition. It was also pointed out that both the N.Q.A. and Houston shows are ribbon only shows.

I am compiling all of your comments, suggestions and votes into a booklet. This will be passed on to future quilt show committees for their use in the decision making process.

As members you have allot to offer, don't stay so quiet. Continue to write the board and let us know your constructive thoughts. We may not be able to change things now, since we work one year in advance. However, a new idea may solve, head off future problems or create new interests.

Be Creative,
Helen Ziegler, President

A Child's Odyssey '93
Did you see the quilt in the Rochester show made by the 6 year old girl? A lovely rail fence with teddy bear outline quilting, both Anne Murray and her daughter, Alyssa, were proud to enter it in the show. But, if you like many people, you may not have noticed the most special part...that it was created by such young hands.

We'd like to encourage children to try quilting and give them a special place to exhibit their ideas in the 1993 Show. We're also hoping that by adding this special youth exhibit, more adults will ask children if they might want to try their hand at quilting. The Theme: A Child's Odyssey. (Let the child interpret it as he/she may.)

The guidelines:
* Maximum size: 36" x 36"
* Minimum size: 12" x 12"
* Hand or Machine pieced
* Hand quilted or Machine quilted or tied or tufted
* There are no limitations on the design.
* Any embellishments are allowed.
* The item must qualify as a quilt with a front, batting and backing.
* It can be a small quilt, wallhanging, miniature, piece of clothing or sampler.
* Age Group: Up to Age 15.

How much can an adult help?
Only to pay for the fabrics, help cut fabrics, and help guide (but not do) the sewing. The rest must be up to the child. We want to allow children to express themselves.

Entry/Registration Forms are available through:
Lynette Disrud
9401 Nemec Knolls Road
Eden Prairie, MN 55347

Either send a postcard to Lynette requesting an entry form, or pick one up at a MQ monthly meeting. There are no entry fees and all children are invited to enter.

ABC Quilts Update
Since taking over this project in February 1991, about 255 quilts have been distributed to various needy children. Quilts have gone to Romania, Russia, Washington DC, locally to the St. Paul Children's Hospital, Dorothy Day Center, and Social Services of St. Paul.

These quilts have come from Minnesota, North Dakota and South Dakota. A highschool girl in Southern Minnesota, has been instrumental in sending over 50 quilts. She has given 4-H demonstrations and has gotten groups to make quilts. She has also personally made many of these quilts herself.

Many church groups and individuals have been regular contributors to this project.

My commitment to this project is in response to the children whose tiny bodies wrestle with the painful results of abuse. If you would like more information, please contact Marge Herrington, ABC Quilt Area Coordinator.

Neighboring Quilters
From time-to-time calls come to Minnesota Quilters from members who would like to join a neighborhood quilting group. Some of you know it's a great way to meet people, and a resource for ideas and "how-to" directions. You can be much more conversational in small groups, and, some groups take turns meeting in each others' homes, which is a nice personal touch.

A recent newsletter listed the Regional Quilt Groups on record with Minnesota Quilters, but we haven't had a resource for smaller groups.

So, as a trial, we invite you to let us know if you are interested in joining or forming a group in your neighborhood. If you are part of a small group that has room for a few more people, we'd also like to hear from you.

We'll send you the names of everyone who responded in your "neighboring" area so you can contact each other.

If you want to join a group or if your existing group has room for more, please send a postcard with your name, address and phone number to:

"Neighboring Quilters"
Minnesota Quilters
1399 Eustis Street
St. Paul, MN 55108

Please Note:
The Regional Circles and Guilds is published in the Minnesota Quilters News in the September and February issues. If you wish to have your name or group removed or updated for the February 1993 issue, please call the MQ phone at (612) 642-9538 and leave a message or drop us a note to Minnesota Quilters, 1399 Eustis Street, St. Paul, MN 55108. This information is shared with individuals looking for a small group or guild to join in their area.

Library Lines
The library opens 1 hour before and closes 10 minutes prior to the start of both the Thursday night and Friday morning meetings.

A total of 4 magazines and 3 books can be checked out per month. Have your membership card ready to show us when checking out library materials.

There is a late charge of $1 per book and/or magazine per month. If you are unable to attend a meeting, library materials can be sent prior to the due date via 4th class mail to:

Paula Hagg, 2181 Princeton Ave., St. Paul, MN 55102

Thank you to Laurie Toensing for her donation of quilt books to our library.
Video Library

Forty-four tapes are available in the video library at the present time. The program runs by reservation and is carried out by mail only. The procedure for borrowing from the video library is: The member sends in a request for a tape along with a deposit check in the amount of $59.95 (132.00 for tape #116) payable to Minnesota Quilters. The librarian will send the tape as soon as it becomes available. MQ will pay the postage one way and the member will be responsible for the return postage.

The normal check-out time will be ten days. When the tape is returned within the ten-day limit, in good condition, the member’s check will be returned. If the tape is damaged or lost by the member, the check will be forwarded to the MQ treasurer for processing.

If the reservation is local and the mail is not used to deliver the tape, it is up to the renter to pick up and deliver the tape at the convenience of the librarian. Tapes will NOT be checked at the meetings like the books are.

The Video Library address: Jeanne Tanamachi, 1887 Pleasant St. Lauderdale, MN 55113, Phone: (612) 636-9894 (this is a Twin Cities number.)

I Am A Television.
I was invented to help people communicate.
I was not invented to be a babysitter.
I was not invented to be a lesson book for living.
  to learn how to kill
  to learn how to rape
  to learn how to deceive and defy.......  

I thought that I was a pretty good idea back in the 1950's when the whole families would sit in front of me and laugh and have a good time.

But now,
  but now I have divided families.
  I see families fighting over which channel they want.
  I see families sitting silently and not speaking
  I see families separated by separated TVs.
  And I see families destroyed by violence I have taught.

This makes me sad.

I have failed.....

Or maybe it isn't me.
  Maybe it is the families who have been too cowardly to turn me off.
  Or maybe it is the absent parents. If they were home they would see their sons watching rapes and then maybe they wouldn't wonder why their daughters get raped.
  Or maybe it is the producers.
    Why do they think violence is the only thing people want to see on TV?
    Oh, my mistake. Why do they think sex is the only thing people want to see on TV?
    Do the producers not have sons and daughters?
    Do the producers not hold values and truths?
    Do the producers want rather to count their money instead of their blessings?

Oh, I am sad.

I was invented for communication and now I see communication through force, revenge, greed, rape and violence destroying .............

I am sad.

It is ENOUGH
