Thursday, March 4, 1993 7:00 PM
Machinists' Hall, 1399 Eustis St., St. Paul
"A Stitch in Time- the Tie that Binds"
Quilting is a needlework technique that has been used the world over to create items that are both functional and beautiful. Yet no where has this craft become so ingrained in the folk culture as it has in the United States. This slide presentation given by Carolyn Sidebottom will explore the history, artistry, and cultural heritage of the American quilt. Carolyn presented this lecture at the October day time meeting.

Sue Vento, Evening Director

Reminder:
If you won a door prize at the evening meeting in February, please bring a door prize to share with someone else at the March meeting. For all of those who did not win, remember to sign the guest book when you arrive to be eligible for a prize.

Daytime Meeting

"Generation Quilters"
Machine quilting will be aptly demonstrated by several of our prolific machine quilter members. Bring your questions, come to see and learn the "fast" way to finish the latest or an old quilt top.

Generation quilters will be telling their inspirational stories. The JACKET CHALLENGE needs your body to model your latest Jacket, finished or not. Let's have a fun style show to inspire others to attempt this wearable art. Funtastic, funderful prizes for all jacket entrants.

Let's all do a small part to save the environment by bringing a cup or mug for your coffee or drink. Paper and styrofoam are expensive & are unnecessary additions to our land fills. Thanks.

Thought Patterns
Do you remember what quilting was like 15 years ago? As I think back, memories of tracing around cardboard templates and scissor cutting individual pieces come to mind. I was into my second year of quilting then, taking classes, learning every technique possible. Every step was done by hand. "It just isn't a real quilt if done on the machine," one instructor said. Well she was wrong!

Today I am an upwardly mobile quilter, as many of you must be. We use rotary mats and cutters, sewing machines to sergers, thimbles made of leather, metal, plastic, and even spoons. Fabric use has changed greatly. Instead of restricting ourselves to percale prints, cotton calico's and scrap fabric, we have become innovative. Today's fabrics include hand-dyed, marbled, Japanese, lame, large and small prints as well as synthetic. The motto is "If it works, use it!"

What about patterns? My how creative you've gotten. You put one block on top of another to create a third. You angle blocks, 3 dimensionize blocks, applique over them, slice them, dice them, remove them, extrude them. WHOOSH...What fun we've had with this process.

This developmental process has occurred to Minnesota Quilter's Inc. over the years. No one feels these changes more than your yearly board of directors. Each board has updated and fine tuned the business side of our organization. Today's board is no different.

With each membership increase we are brought new ideas, larger meetings, bigger shows, and more committees. As an organization we've gone from neighborhood demonstrations to a state wide "Quilt-In". To service our out of town members the video library was established around 1985 and continues to grow. Quilt shows have grown from 600 viewers to 8,000 viewers.

We are being innovative and creative, using every tool at our disposal. Learning from professionals such as an accountant, CPA, lawyer, and computer experts. Writing manuals for show committees, library, board members and president to create a continuity in M.Q.I.'s future. If you are feeling some change in the next few months be assured we will not detour from our founders original goals.

"Bring together quilters throughout the state and strive to educate people about quilting."

Be Creative,

Helen C. Ziegler
President

Programs For 1993-1994

We are planning the programs for the coming year and want to respond to requests that you as members have. The comments on the "for members, by members" program was very positive, so that format will be repeated. Can you recommend any presenters? Would you like to do a program? Would you like to have a team-taught (say, question/answer) program? Possibly with a panel? How about a drama/storyteller? I know that our members are at all skill levels and have a diversity of interests, but we will try to find programs you enjoy and which are educational. Not to mention entertaining! Your ideas are welcome. Please call Judy Dahl in at (612) 490-0282 or drop me a line at 919 Lawnview Ave., Shoreview, MN 55126. Thanks!!

Small Quilt Auction
The small quilt auction promises to be an exciting feature of the 1993 MN Quilters Show. Small quilts are made and donated by members. The quilts are auctioned by silent bid during the show, with the quilt going to the highest bidder. The 1992 small quilt auction raised $4971 with 117 quilts donated. The proceeds were used for quilt education.

This year we are again urging everyone to participate. All levels of quilting will be accepted, from the inexperienced to the very advanced. The funds will be used to support quilt shows on public television and other education opportunities for the members.

The quilts may range in sizes up to 24" x 36" and should be received by June 1, 1993. You may donate more than one quilt and you may put a minimum bid on your quilt. Please include your name and address with each quilt.

If you have any questions and would like to participate, please contact:

Joan Goerteman
16125 Delarma Drive
Carver, MN 55315
(612) 448-5422

1993 Raffle Quilt
Tickets are selling well for Odyssey, the 1993 raffle quilt. All MQ members should have received 5 tickets to sell or purchase at $1 each. A border hoop will be awarded to the MQ member who sells the most tickets. Extra tickets will be available at MQ meetings. Also, ticket stubs and money can be turned in at MQ meetings. Remember to make checks payable to Minnesota Quilters, Inc. You are encouraged to not use labels on ticket stubs. For further information contact:

Bus Tour groups of 20 or more will be eligible for a pre-registration fee of $3.50/day (regular admission is $4.00/day).

Regional Quilt Circles and Guilds will receive information this month, or call Mary Lou Murray, (612) 690-5181, or Rosemary Kessler, (612) 699-4582.

Volunteers Needed:

June Ryker
MQ Lecture Series Guest

The spring lecture series will be held on April 1, 2 and 3, 1993. June Ryker will be our guest teacher and lecturer. June is a well known quilter, teacher and lecturer from Lakewood, Colorado. She has taught and lectured for Guilds and groups across the country in over 20 states and Canada, including Quilt Colorado, Houston Quilt Festival, Quilters Heritage Celebrations, and National Quilting Assoc. Shows.

Log Cabin designs are her specialty and she designs many of her own patterns, teaching them in her classes and selling them through her business "The Quilted Lady". She will be teaching three workshops, all-day Thursday, half-day Friday and all-day Saturday.

The April 1, Thursday all-day workshop will from 9:00 am - 4:30 pm and is "Designer Logs II". Class includes a short study and exploration of log cabin design that includes irregular shaped log cabin blocks using samples and worksheets. A 33" diameter wallhanging using pentagon and kite shaped blocks will be started in class. A $5 pattern fee will be collected in class.

The April 2, Friday half-day workshop will be from 1:00 - 4:30 pm and is "Pleated Log Cabin". With the basic log cabin block and a technique using pleats, you will create either one 8" block or begin a four block pillow. A $1 pattern fee will be collected in class.

The April 3, Saturday all-day workshop will be from 9:00 am-4:30 pm and is "Log Cabin Fantasy". You will begin a wallhanging that uses irregular shaped log cabin variation blocks with curved sides. Blocks are pieced with a 1" bias strips. A $6 pattern fee will be collected in class.

June will also lecture Thursday evening, April 1, at 7:00 pm and Friday morning, April 2, at 10:00 am. The lectures and workshops will be held at the Crystal Free Church, 4225 Gettyburg Ave., near the intersection of 169 and Rockford Road. A map will be published later. The cost of the lecture is $1 for members and $3 for non-members. Members be sure to bring your membership cards.

The cost of the workshops will be $30 for the all-day classes and $20 for the half-day class. You may sign up for more than one workshop but you must send a separate check for each class. Make checks payable to Minnesota Quilters, Inc. and send to Jackie Northrup, Rt. 2, Box 205C, Isanti, MN 55040. If you have any questions, please call Jackie Northrup, (612) 444-6520.

Share A Tip

January 28, 1993

Dear Marian Fredlund, and all presenting teachers for the January Daytime meeting!

After being in quilting for about 20 years, I feel that I'm pretty knowledgeable about most of the quilting techniques! When I saw that the daytime meeting was going to be "Back to Basics" I inwardly groaned! I went, expecting to enjoy the sharing with other members there and just endure the meeting! Was I surprised! There was not one presenter that didn't give me some idea, or tip! Each person was knowledgeable, skilled and well prepared! The time for each presentation whizzed by! By being in the small group at the table you has a chance to meet new people, and share ideas on a more personal level! We even left with a printed handout to reinforce our memory when we got home. The morning didn't 'just happen' - alot of thought, planning and effort went into it! After the meeting, & since then, I have heard many other members voice the same feelings that I had! Thanks Marian, and each presenter there for the special morning. We appreciate all the work that went into the meeting!

Sincerely,
Lillian Paradise, Mounds View
