Lecture Series Presents: Anita Murphy
Anita is from Kountze, Texas. Anita has enjoyed a lifetime of both
stitchery and crafts. She made her first doll bed size quilt at the
age of seven. It won a blue ribbon, and she has continued to win
many more for her quilting endeavors. Her quilt "Freedom to
Dream" represented Texas, in the Great American Quilt Festival
honoring the Statue of Liberty. This quilt also earned her the
privilege of being added to the "Honor Roll" of Texas Quiltmakers.

The lectures and workshops will be held at St. Phillips Lutheran
Church, 6180 Highway 65 NE, Fridley.

To get to the church take 694 to Highway 65, go north on 65, past
Moore Lake to the light, take a left and park in the rear lot behind
the church.

The cost of the lecturers are $1 for members and $3 for non-
members. Members be sure to bring your membership card.

**Notes From the President**

Dear Quilters:

This is my favorite time of the year, the weather is turning colder, the kids are back in school, we have some routine to our lives, and my quilting activity accelerates. To inspire you, there are quilt shows within easy driving distance almost every weekend. Check the calendar of events, and plan to go to one or more of them. You can use "looking for fall colors" as your excuse, and lure friends and family into going with you.

The Minnesota Quilters quilt show for 1994 is coming along with great enthusiasm. It will be held in St. Cloud next June, and most of the plans have been made. Unfortunately, this is not so for the 1995 show. With our unofficial schedule of one year in "the Cities" and one year out-state, we should be planning the 1995 show right now. There is one crucial thing missing, and that is a show chairperson. Both the nominating committee and I have called many people and proposed that they chair the show, but for a variety of reasons, no one has yet volunteered to do so. This may mean that we will not have the same type of quilt show that we have grown accustomed to in the past several years. It is getting very late to select a sight and get a facility for the dates that we want. Many of the nationally know teachers have already booked two years in advance, so the possibility of getting the ones we want is getting slimmer every day. It is hard to believe that out of 1200 plus members, there is no one willing to take on this challenge, so I am opening it to your suggestions. It is a big job, and a big responsibility, but it is also a lot of fun. If you have ever thought that this is something you might like to do, think about doing it now. Now is when you are needed.

Occasionally we are asked why, when we have money in our treasury, we need to charge for the lecture series. We do have to keep enough, money on hand for one year's operating expenses. The membership dues covers the cost of the printing and postage for the monthly newsletter. While we do have the profits from the show each year to run on, this is our only fund raising venture. If we do not have our traditional show in 1995, the treasury will surely suffer. Our quilt show this past June could easily have been in a location that would have necessitated canceling the show while still being committed to paying out a great deal of money. We have to anticipate the unexpected and unplanned circumstances. If everything goes well we have the funding to do more interesting and exciting things in the future. I hope I have given you a few things to think about.

Happy quilting,
Ellen Carter, President

**Introducing Audrey Mead**

Audrey Mead is the Corresponding Secretary of Minnesota Quilters. She answers the mail or directs it to the appropriate person, writes letters requested by the Board of Directors, mails the phone directory, and keeps the bulletin board in the newsletter up to date. If you have any questions, concerns, ideas or anything to communicate to the Board of Directors, you can direct your mail to Audrey. Audrey is also on the 1994 Show Committee as chairperson for the fashion show. (Watch this newsletter for more information on this exciting event!)

Audrey became interested in quilting in 1974 (the year she got married). She had lots of spare time and tons of fabric from sewing clothes. Her first 2 quilts were double knit. (Did anyone wear cotton back then?) No one else in her family quilts so she read a lot, experimented, and taught herself. She didn't take her first quilting class until the Rochester show in 1992.

There are three children in the Meadhouse: Clinton - 16 (girls, cars, and sports), Curtis - 13 (computers and Nintendo), and April - 5 (clothes, dolls, and clothes.) Audrey has worked with her Optometrist husband since 1976 as a bookkeeper, accountant, receptionist, optician, and frame buyer. She also teaches about 22 piano students and is a substitute church organist. Audrey utilizes the remainder of the non-sleeping minutes quilting and sewing for her family. There is no spare time for cooking or house cleaning!

**Motions Made at June 1993 Board Meeting**

Motion: to accept the corrected Show Agreement. Passed.
Motion: To send $1,000 to Duluth Public TV. Passed.

**Motions Made at July 1993 Board Meeting**

Motion: to approve the 1993-1994 budget. Passed.
Motion: the proceeds from the Small Quilt Auction be split between public TV stations for quilt related programming, and education and service projects.

**Festival of Trees Quilt Project**

There is still time to make a block for the HealthEast Foundation quilt. The rules are simple: Make a 12 1/2" x 12 1/2" (unfinished) block ON POINT, with a tree design. It may be pieced or appliqued. Use dark greens and brown or black for the trees, and medium to light blue, (no turquoise) for the background. The blocks should be completed by the October MQ meeting when they will be displayed. We plan to have the top assembled for display at the festival, Nov. 12-15, and then baste and quilt it after the first of the year. If you would like to help with the borders or assembly please contact Ellen Carter (612) 942-8201. Thanks for your help.

Fashion Show
Those Holiday parties will be here soon. NOW is the time to think about what to wear. Exciting new holiday fabrics have been in the fabric stores since August. (In fact, there probably on sale by this time. Aren't you lucky?) It's still early enough that you can spend some time to make something really special that is pieced, appliqued, and/or quilted. (Hey, throw in some beading too.) Oh, by the way, after you've made and wore this super special WOW outfit for the holidays, be sure to enter it in the Galaxy of Stars fashion show in June 18, 1994 in St. Cloud! Rules and entry form for the fashion show will be sent in any SASE arriving at my home address. Audrey Mead, 2655 Kempton Dr., Woodbury, MN 55125. You also have a pretty good chance of finding a copy at the monthly meetings.

Holiday Challenge
Challenge fabric for the Evening December Holiday Party is sold out! To quote Barbara Bach on the Quilter's electronic bulletin board, "It's gorgeous, so naturally I bought some of that." Hope you are busy working on your projects. Special thanks to GLAD CREATIONS who extended a discount to MN Quilters so that we could have a yard of beautiful fabric for only $6.00 (including a Hoffman and a 60" plaid!). Let then know how much we appreciate it the next time you stop in.

New Member Writes—
Dear Magaret and fellow quilters, August 3, 1993
I have recently returned from a Split Rock Arts class given by Susan Wilchens of North Carolina. Sixteen of us spent a week "creating & manipulating fabric surfaces", and being inspired to continue to sew. I was one of the few Minnesotans in the class who did not belong to MN Quilters. Those who did convinced me I was missing out. Enclosed is my membership $. Please foward any current news & I'll plan to come to the next evening meeting.
Sincerely,
Jo Crill, Robinsdale

MQ Video Library

Sixty tapes are available in the video library at the present time. The library is operated by mail only. The procedure for borrowing from the Video Library is: the member sends in a request for a tape along with a deposit check in the amount of $30 ($132 for tape #116) payable to Minnesota Quilters, Inc. The librarian will send the tape as soon as it becomes available. MQ will pay the postage one way and the member will be responsible for the return postage. You may reserve a tape for use at a later date, which is useful for groups who wish to use a tape for a program.

The normal check-out time will be ten days from the date of receipt. When the tape is returned within the ten-day limit, in good condition, the member's check will be returned. If the tape is damaged or lost by the member, the check will be forwarded to the MQ treasurer for deposit.

If the reservation is local and the mail is not used to deliver the tape, it is up to the member to pick up and deliver the tape at the convenience of the librarian. Tapes will NOT be checked at meetings like the library books are.

Quilter plans trip to Italy
Minnesota Quilter, Sara King and her husband are hosting a trip to Italy next July. The trip flies into Milan in the north of Italy where the first day will be spent seeing beautiful Lake Como on the Swiss border. Thirteen days later they will depart from the eternal city of Rome. Other places on the itinerary are Venice, Padua, Ferrara, Florence, Orvieto, Sorrento, Pompeii and the Isle of Capri.

Ron and Sara lived in Milan, Italy for two years and are excited about showing off some of their favorite places. Venice is Sara's favorite with narrow sidewalks along busy canals and exquisite Venetian glass. Ron loves Florence with its rich art treasures and magnificent cathedral. Other favorites include the ancient walled city of Bergamo high on a hill for safety and the intriguing ruins of a marvelous civilization in Pompeii. And of course a favorite of most visitors to Italy — the food. The tour will include all breakfasts and dinners and several lunches. Many of the dinners will be Italian style banquets with wine and music.

Sara is a well known quilting teacher and has former students who now have returned to their native Italy. Those students will be visited and will make for personal memories of the warm Italian people. Also two quilting classes will be arranged with the Italians. For non-quilters there will be more sight-seeing and free time to explore the picturesque cities of Italy.

This tour has been personally planned by Sara and is being arranged by Sandy Wagner of Carlson Travel Network. For further information the King's phone is (507) 356-8839 or Sandy's phone is 1-800-533-2012.

Congratulations to
Sandra Johnson, New Hope
