

Remember Me; Ann Marie Yohnk

by Minnesota Quilt Project

The quilt Ann Marie is pictured with is called Mary Todd's Garden. It is an original design made in 2011 in collaboration with Wyndham Fabrics and *Quilt Mania* magazine

Ann Marie has been working with quilts for 35 years. She has always loved sewing and working with her hands and found designing and making quilts with Wyndham Fabrics had started a whole new avenue of creativity for her. She has created red work and miniature quilts using both hand and machine quilting techniques. In 2008 Ann Marie was a vendor at Quilt Market selling her patterns.
